Tekgraf provides a complete printing solution with the Canon W8400/6400 printers. The Canon 8400/6400 series printers along with EFI's Colorproof XF technology is a fast and affordable way to create color accurate contract proofs.

Canon 8400/6400 Printers/Signmakers

Canon, a world leader in office imaging systems, inkjet technology, and digital photography presents a professional large format printing solution. The imagePROGRAF W8400 & W6400 (44" and 24" respectively) printers are large format printers for office, photo and graphic arts professionals. Utilizing a pigment based six plus one ink system (interchangeable matte black), a 4-picoliter ink droplet size, and 2400 x 1200 resolution, the image PROGRAF W8400 produces exceptional output and superior color stability.

Canon W8400 44" Pigment Printer Only ... \$5,995.

Canon W6400 24" Pigment Printer Only ... \$3,495.

Canon W8400 Proofing Solution Only ... \$11,615.

Canon W6400 Proofing Solution Only ... \$8,665.
